# Bk467p191 

(Estate's First Court account at Book 467 pages 191 through 196)
To expose accounting fraud it is necessary to expose the accounting. The signature cover of the CPA Joanne L. Barnes (SSN 579-44-3240, EIN 541040148) and the Attorney Edward J. White and their collaborators is to cover the accounting trails with confusion and conflict and use a trusting family member to unwittingly plant the confusion and conflict in the family so that it appears to come from the family. It appears as a problem in the family rather than in the accounting, and the accounting is ignored. Try to expose this accounting at bk467p191 and see what happens.

To see how effective this pattern is contact our trusting sister Jean O'Connell Nader at 350 Fourth Avenue, New Kensington, PA 15068, Tel: 724 337-7537, and ask her questions about the accounting. She does not understand the accounting. She will be used to keep it concealed.

Exposing the accounting at bk467p191 would lead to all you need to know. Why, in Gods name, has no authority, for more than 20 years now, not tried to expose this accounting or tried to stop the accountants and their collaborators from using our trusting sister Jean Nader as unwitting cover?

What justification is needed to expose bk467p191 beyond the fact that it has never been done? Follow the accounting trails and the document trails and not make judgements based on rhetoric or character assassinations.. Go around the hundreds if not thousands of people, including my family, who have been set against me for trying to expose this accounting.

How can the disappearance of $\$ 518,903.26$ in the public record for 20 years remain unrecognized? $\$ 545,820.34$ is paid to our Mother's estate but only $\$ \$ 26,917.17$ is recorded. The difference of $\$$ $\$ 518,903.26$ disappears. How many character assassinations does it take to make $\$ 540,820.43$ minus $\$ 26,917.17$ not equal $\$ 518,903.26$ ?

## DISBURSEMENTS

Vouchers in support of these disbursements are submitted herewith.
NOTES:

1. Decedent had a POD account in Hallmark Bank with Jean Nader. The bank erroneously paid the amount to the estate. This figure is the interest earned on that sum while in the estate account.
/2. This represents interest earned in the estate account on the amount of the disbursement while the disbursal was delayed. This is to equalize the disbursements among the legatees.
2. Estimated tax was paid with an extension request.
3. Expenses incurred due to lost Nuveen certificate of owhership.
4. Decedent owned a partial interest in 15 acres of land in Accotink. The Harold O'Connell Trust owned the other share. The estate agreed to pay for the appraisal which hopefully will reduce the value of the tract by 50\%. The beneficiaries of the Trust are the same persons as the devisees under the will and in the same shares.
5. When the 1991 income tax was prepared by Edward J. White, CoExecutor, a large capital gain was omitted necessitating the filing of an amended return. $\$ 526.55$ was assessed in interest by the IRS. The figure is the amount of interest earned by the estate while the amount due the IRS was in the estate bank account. The balance of the interest assessment was paid by Edward J. White.
6. Jean M. Nader and Sheila O'Connell-Shevenell agreed that the vehicle should be disbursed to Anthony M. O'Connell in addition to his $1 / 3$ share of the remainder of the estate.
